

Product No. SCELPU

Elite Screens F100NWH 16:9 ezCinema Series Projector Screen, 100"

Product Descriptions

Use the 100" Projector Screen to make your next presentation one to remember. It is built with full tension uniformity and is a floor-stand model. This office projector screen also has a telescoping, pull-up front function for enhanced visibility. It features durable and easy-to-clean black backing, variable height settings and solid rotating floor support feet for added stability. A built-in carrying handle makes it simple to transport as needed. The 16:9 HDTV format offers superior graphics. It is simple to set up and take down in just minutes. Rugged aluminum casing protects the pull-up projector screen from damage during moving and storage.
