Product No. NBHP01

HP EliteBook 8440p - 14" – Core i5 520M

Product Description

Corporate Elite! Empower your business with the new standard for mobile productivity and business ruggedness with a notebook that passes rigorous military standard testing.

A true business notebook that's durable without weighing you down. Starting at 4.7 lb/ 2.12 kg and featuring a 14.0-inch diagonal LED-backlit HD display, this notebook is designed to meet the tough military standards (MIL-STD 810G)24 for vibration, dust, humidity, altitude, and high temperatures.

Intel® Core™ i5 processors deliver intelligent technology for outstanding performance on the most demanding tasks. And all CTR 8440p units feature SSD drives for the most responsive performance!

Make connections! Connect to other devices in a snap. With DisplayPort, you get sharper, deeper images compared to other display connector technology. And an eSATA connector lets you connect optional external RAID array, hard drives or optical drives for fast and easy storage.
