

**Product No. MOHP23**

**HP Compaq LA2306x 23" Widescreen WLED Backlit LCD Computer Display**

**Product Descriptions**

The Compaq LA2306x 23" Widescreen WLED-Backlit LCD Computer Display from Hewlett-Packard is an easy-to-use solution for viewing content from your computer. The display features a native resolution of 1920 x 1080 - equal to that of 1080p HD video. It also sports a 1000:1 contrast ratio, 170°/160° viewing angles, 250cd/m<sup>2</sup> brightness, and a 5ms response time. The display can accept VGA, DisplayPort, and DVID (with HDCP support) connections. Its DVI-D connector supports HDCP allowing you to view copy-protected content on the display. Along with these connections, the display features two USB 2.0 ports for connecting peripherals.

The display is backlit with an energy-saving WLED light. LED technology is free of the environmental toxins found in traditional CCFL bulbs, and provides more even illumination -- without the need for warm-up time.

**Product Details**

*Although care has been taken to ensure the accuracy of the information provided in this Product Specification, CTR is in no way liable for any errors, omissions or changes in specifications.*

**Features**

This monitor is designed to be more environmentally friendly as it utilizes WLED back-lighting, does not contain mercury or arsenic, and supports the following environmental standards: EPEAT Gold registration, ENERGY STAR qualification, TCO Display certification

- ❖ Full HD resolutions, a 1,000,000: 1 dynamic contrast ratio, a 170° wide viewing angle, and fast 5ms response times deliver precise visuals for work or play
- ❖ A slider stand allows you to adjust the height range of the monitor by 130mm to accommodate people who are taller or shorter
- ❖ 35° of tilt adjustability helps provide clear views at many different angles
- ❖ 90° pivot rotation makes long text easy to read with less need to scroll
- ❖ Swivel makes sharing your screen as simple as a quick turn of the head
- ❖ VGA, DVI-D, and DisplayPort inputs provide a wide range of advanced connectivity options

- ❖ A built-in two-port USB hub puts flash stick data at hand
- ❖ VESA compatibility provides a wide range of mounting solutions
- ❖ Display Assistant for custom picture quality, theft deterrence, and energy savings enablement
