Product No. TV40HS

Product Descriptions

Hisense H3-Series 40"-Class Full HD LED TV

Enjoy Full HD video quality with the **HiSense H3-Series 40"-Class Full HD LED TV**. Its 1080p resolution provides detailed images from HD sources while its 60 Hz refresh rate will reduce the blur commonly associated with fast-moving objects. The TV has three HDMI inputs for connecting digital high-definition sources such as HD cable/satellite boxes and Blu-ray players.

Product Details

Although care has been taken to ensure the accuracy of the information provided in this Product Specification, CTR is in no way liable for any errors, omissions or changes in specifications.

Features

Digital LED Technology

This Hisense LED TV is designed to bring you vibrant and true-to-life images delivered just as the director imagined.

Dynamic Contrast

Dynamic Contrast allows you to obtain a high contrast ratio, which gives you darker blacks and brighter colors.

MHL (Mobile High-Definition Link)

Connect your mobile device to start multi-screening with your Hisense TV. Display pictures, movies, or apps from your smartphone and display it all on your screen.

- ❖ ENERGY STAR compliant
