

Product No. TV50HS

Hisense 50"(127cm) LED TV-(50K316)

Product Descriptions

- Hisense 3D LED
- Full HD 1080p for Stunning Picture Detail
- 100 Hz Refresh Rate for Dramatic Motion Clarity

Fly away into a world where reality takes the back seat to imagination, sensation and intrigue. With Hisense LED, the optical limits and boundaries of traditional television are defied.

Product Details

Although care has been taken to ensure the accuracy of the information provided in this Product Specification, CTR is in no way liable for any errors, omissions or changes in specifications.

Features

Digital LED Technology

Witness the entire RCG spectrum brought to life on your screen. The Hisense LED TV brings you exceptionally vibrant and true-to-life images delivered just as the director imagined.

Full HD 1080p

With 1920x1080 full high definition resolutions, the images are so life-like; it feels like you're really there. 1,080 horizontal lines create stunning details and crystal-clear, vibrant colors to create a brilliantly realistic picture.

100 Hz Vivid Motion

Hisense developed motion compensating technology to enhance clarity in fast moving images.

Audio Power

10W x 2 audio power stereo broadcast reception. Supports multi-channel sound (MTS) and second audio program (SAP) with 181-channel capacity

SRS TheaterSound

Get crisp, clear digital quality sound via advanced SRS technology
