

Product No. TVKA01

Kanto Living MTMA80 Plus Mobile
TV Mount

Product Descriptions

Constructed out of high-grade aluminum, the MTMA Plus series provides a mobile mounting solution that is highly durable and lightweight. Each mount comes with a VESA compatible mounting bracket, component tray and upper shelf, allowing you to safely and effortlessly maneuver your TV and accessories. Complementing today's modern TVs, their sleek appearance and integrated cable management make them perfectly suited for any home, school or office environment. Every MTMA Plus unit offers simple height adjustment and quick-release wheel locks, and comes packaged in a heavy-duty, compact box to allow for safe and easy transport. Available in three models to accommodate a wide range of TV sizes.

Product Details

Although care has been taken to ensure the accuracy of the information provided in this Product Specification, CTR is in no way liable for any errors, omissions or changes in specifications.

Features

SUPPORTS UP TO 150 POUNDS

Built from sturdy aluminum, the MTMA80 Plus can safely hold TVs up to 150 lbs without concern.

QUICK RELEASE WHEEL LOCKS

The 3" wheels roll smoothly and can be locked into place quickly by stepping on the lock with your toe. Additionally, the locks can be released easily by simply hooking the toe of your shoe under the lock lever and lifting up.

ATTRACTIVE FROM ALL ANGLES

MTMA80 Plus features clean lines, simple cable management, and an attractive black powder coated finish.

FITS VESA SIZES TO 800×500

MTMA80 Plus is designed to fit most flat panel TVs from 55" to 80", with VESA sizes ranging from 200×200 to 800×500.

LOW PROFILE DESIGN

While extremely stable, MTMA80 Plus incorporates a sleek and low profile design.

TOP ACCESSORY SHELF

The top shelf is ideal for placing a camera, making the MTMA80 Plus a perfect display unit for web conferences.

ADJUSTABLE MIDDLE TRAY

The MTMA80 Plus includes an adjustable middle tray to conveniently carry your laptop, PVR or other AV hardware. The adjustable middle tray will hold up to 10 lbs (4.5 kg).

CABLE MANAGEMENT SYSTEM

With the hollow tower, MTMA80 Plus allows you to hide the unsightly cables inside the tower. The grommets keep your cables in place so they do not move.

EASY HEIGHT ADJUSTMENT

Using the Allen key provided, the MTMA80 Plus adjusts anywhere between 53.1" (1.3 m) and 65" (1.65 m) to find the perfect viewing height. This adjustment should be done with the TV removed!

EVERYTHING YOU NEED

MTMA80 Plus comes packaged with all the mounting bolts, washers and spacers you'll need to fit virtually any size flat panel TV up to 80".

STURDY SHIPPING BOX

With the fold able base, MTMA80 Plus comes in a manageable size, packed securely in a high-quality shipping box with re-enforced hand holds.
