

Product No. TCAPK1

Elevate II Floor Stand Kiosk for iPad Pro 12.9 (White)

Product Descriptions

Elevate II Floor Stand Kiosk is a sleek, full-featured solution for turning an iPad into an interactive display. The Floor Standing Kiosk can be displayed anywhere there is floor space, making it perfect for retail showrooms, hotel lobbies, tradeshow displays, and many other public spaces. It is equipped with a lock and key so you can keep your iPad in the enclosure without fear of it being removed. Each kiosk also comes with a slot compatible with Kensington Locks, so you can tether the entire kiosk to an immovable object for maximum security.

Product Details

Features

The Elevate II series of iPad or tablet Kiosk mounts and stands come in white as the standard color, but can be customized by request. These kiosks feature the ability to be compatible with a wide variety of tablet types such as iPad Pro, iPad Air 2 | Air, and Surface Pro 4 | 3, Samsung Galaxy Tab S | A | 4, HP, and Lenovo which is different from the original Elevate which is made specifically for iPad. To Elevate II series is highly configurable so put in your request today!

Each Elevate II tablet kiosk enclosure is equipped with a lock and key so you can keep your tablet in the enclosure without fear of it being removed. Each tablet kiosk comes with a locking slot compatible with Kensington Locks, so you can tether the entire kiosk to an immovable object for maximum security.

The Elevate II won't block Wi-Fi, Bluetooth, 4G or LTE signals, so you can keep your tablet connected to wireless data in the office or at a trade show.

Elevate II kiosks rotate easily between portrait and landscape views allowing the user to adjust the kiosk's viewing angle.

Keep your tablet charged while keeping your cable hidden using the cable trough hidden inside the Elevate II enclosure and body.
