Blu-ray Disc Player DMP-BD94

Product Descriptions

The Panasonic DMP-BD94 Smart Network Blu-Ray Disc Player is equipped with a built-in Wi-Fi system. That means you can enjoy your favorite VIERA Connect and BD-Live content without connecting the player or your entire Home Theater via LAN cables or wireless LAN adaptors.

As a DLNA-certified device, the Panasonic DMP-BD94 Smart Network Blu-Ray Disc Player integrates with your home network for quick and easy access to your digital media. Access all your digital photos, music (MP3, WMA) and videos (AVCHD, WMV) stored on your DLNA-certified PC or network drive from any room in your house! No more loading discs, or connecting cables. Everything streams seamlessly and wirelessly.
