

Product No. ACPO2W

Polycom SoundStation2W - cordless conference phone with caller ID Series

Product Descriptions

Soundstation 2W EX Conference Phone is Polycom's next-generation, wireless conference phone that gives users the freedom to conference anywhere team collaboration is important - even in rooms where there are no phone lines.

With better voice quality than the original SoundStation with voice encryption, up to 24 hours of talk time, and the ability to dial through a cell phone, the SoundStation2W is the new standard for everyday conferencing.
