

Product No. LCSA01

Samsung CLP620ND Colour Laser Printer
(Network Connectivity, Duplex)

Product Descriptions

SAMSUNG's focus on high specification and quality color prints has shaped the development of this compact and durable printer at 20 prints per minute for both mono and color. When your business demands high levels of performance without the large price tag the SAMSUNG CLP620ND is an ideal option. The SAMSUNG CLP620ND offers consistently outstanding color prints and minimizes operational costs.

Product Details

Although care has been taken to ensure the accuracy of the information provided in this Product Specification, CTR is in no way liable for any errors, omissions or changes in specifications.

Features

Enhanced Specification

With a 360MHz CPU and a generous 256MB memory, the SAMSUNG CLP620ND range makes print jobs easy to process, store and handle. The added features and processing power mean it's suitable for the most demanding office environment.

Power Save Mode

Reduces the cost of printing and lowers the temperature of the machine, creating a more durable environment for the printer components. Less wear and tear means extended quality and fewer replacement parts needed.

SAMSUNG's RealTime Calibration Technology

SAMSUNG's RealTime Calibration Technology ensures documents are printed to a consistently high color quality.

Blue Compass Navigation

SAMSUNG's unique Blue Compass Navigation is easy to learn and even easier to use, so you can be more productive, more quickly. The navigation array gives you instant access to all the different print functions and controls. Simple, intuitive menus and buttons add to the savings in training and troubleshooting time.

High Resolution

The SAMSUNG CLP620ND / 670N / 670ND range excels in its printing capability by featuring a resolution level of 9600x600dpi and high glossiness level, providing you with consistent professional documents.

Smooth Network Integration

Conveniently network ready the SAMSUNG CLP620ND is easy to integrate into your IT infrastructure right from the box. They also include support for the next generation Internet protocol (IPv6), giving you assured integration capability with IT networks of the future.

Easy to Maintain

The SAMSUNG CLP620ND range also offers a choice of consumables to meet your cash flow needs. High yield toner cartridges, which are ideal for heavy users, last longer and give you lower costs per page. Optionally, low yield toner cartridges have the advantage of a lower initial outlay.

SAMSUNG Easy Color Manager

Easy Color Manager allows users to easily adjust color balance, brightness, contrast and saturation of any image that you view on your monitor. It can be especially useful if you have specific color preferences, or if your company has its own brand requirements.

Specifications
