*ProXpress SL-M3370FW 33ppm A4 Mono Multifunction Printer*

**Product Descriptions**

Robust ProXpress M3370 series feature print speeds of up to 40ppm, powered by a Cortex™-A5 core processor and up to 256MB of memory. High speed and performance enable businesses to accelerate document and image processing for increased efficiency.

ReCP technology improves readability of printed documents by enhancing thin lines and sharpening the edges of negative text. Small text that typically may not scan completely is sharpened through edge resolution enhancement. The ProXpress M3370 series deliver sharp, solid prints and scans with effective output print resolutions of up to

**Features**

**Additional printing choices for professional documents**

The printers' multipurpose tray supports media of up to 220gsm (grams per square meter) in weight, which offers more printing choices for professional documents. Numerous labels, cards and envelopes can be printed using the multi-purpose tray with ease. This ability virtually eliminates the time it takes to feed sheets one at a time.

**Easy Eco Driver**

Easy Eco Driver software, granted the 2012 Outstanding Achievement in Innovation award from Buyers Laboratory (BLI), saves users up to 20 percent on toner. The software also reduces energy consumption. Users have the option of removing images, converting them from bitmap to sketch, and removing text to save toner using the Toner Saving Mode.

**Central print usage control to save more resources**

Central print usage control, activated through the SyncThru™ Admin job accounting feature, enables managers to assign users to specific printers. Users can also be assigned quotas for the number of pages or copies they can make per printer.

**4-in-1 Multifunction & built-in duplex printing**

4-in-1 multifunctional (Print, copy, scan and fax) capabilities and built-in duplex printing provide the versatility and convenience that businesses need to stay competitive.

**Enterprise-level document security**

ProXpress M3370 series offer greater control of user, document and network access with Samsung SyncThru™ Admin at the enterprise security level.

**Easy Printer Manager**

Easy Printer Manager helps companies remotely control settings, such as the One Touch Eco Button features, and copy, scan and fax settings.

**Easy secure printing**

ProXpress M4070 | 3870 | 3370 series features easy secure printing with built-in numeric key pad, which allows users to protect personal or confidential documents. When the feature is on, users are required to enter password in order to proceed the printing job.

**One Touch Eco button**

Businesses can lower toner and paper usage with the One Touch Eco Button. The One Touch Eco Button automatically activates 2-up printing (two pages on the same side) and duplex printing (printing on both sides).
