

Product No. LBSA03

*Samsung Monochrome Laser Printer
(ML-3312ND)*

Product Descriptions

Print high-quality black-and-white documents in a hurry with the ML-3312ND Black & White Laser Printer from Samsung. This machine prints up to 33 pages a minute and has a maximum monthly duty cycle of 50,000 pages--making it well suited for bulk jobs. Samsung's Mobile Print App enables you to print directly from your iPhone, iPad, Android or Windows Phone mobile device over a wireless network. Also, an Eco button helps you save on toner and paper.

The ML-3312ND is exceptionally quiet--with sound levels less than 51 dBA--and its compact footprint allows it to sit comfortably on a desk or bookshelf.

Features

Fast Performance to Make You More Productive

Along with exceptional-looking black-and-white prints, the ML-3312ND delivers print speeds of up to 33 pages per minute, which means you spend less time waiting for your documents. Other built-in features to hasten performance include a 375 MHz processor and 64 MB standard memory.

Print Directly from Your Smartphone or Tablet

Available for the iPhone, the iPad, and Android and Windows Phone devices, the award winning* Samsung Mobile Print App allows you to print directly from your mobile device to the printer over your wireless network. As a result, you can work smarter and faster without wasting time switching devices or transferring files. The app lets you print not only JPEGs and PDFs but also the full suite of Microsoft Office files, including Word documents, PowerPoint slides, and Excel spreadsheets.

Ideal for Economical Printing

A one-touch Eco button automatically enables several options, including forced duplex, printing with toner save and skipping blank pages. You can edit the default settings and even choose whether they apply to the next print job only or all future jobs. With Samsung's award-winning** Easy Eco Driver, you can further edit your jobs before printing to ensure you're not wasting toner or paper.

Suitable for High-Volume Print Jobs

The ML-3312ND has a maximum monthly duty cycle of 50,000 pages, making the printer ideal for small businesses and other endeavors that require high-volume printing.

Paper Capacity Can Be Upgraded for Bulk Printing

This printer comes equipped with a standard 250-page cassette and a 50-page multipurpose tray to accommodate your printing needs.

Compatible Toner

The ML-3312ND Black & White Laser Printer uses the following toner:

- ❖ Black: MLT-D205S - Average page yield of 2,000 standard*** pages.
- ❖ Black High Yield: MLT-D205L - Average page yield of 5,000 standard*** pages.
